INTRODUCTION

John, the Apostle, wrote this book of the Bible inspired by God. John the Apostle is not the same man as John the Baptist. John the Apostle was the brother of the Apostle James. He and James were the sons of Zebedee. John the Baptist was the son of Zacharias the priest and his wife, Elizabeth.

This booklet, the Gospel of John, is one of the 66 books of the Bible, the Word of God for man. It tells us of the miraculous birth, life, teachings, death, burial, and resurrection of our Lord Jesus, the Savior of the world. This is the most important message that has ever been written to man.

The book of John was written for this purpose: “That ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through his name.” (John 20:31). The Gospel of John shows us that Christ is the eternal Son of God and that Jesus of Nazareth is that Christ, who descended from heaven to earth to save the human race from sin and its horrible consequences. He accomplished our redemption by dying on the Cross for our sins, being buried in the tomb, and rising from the dead the third day. He is the living Christ, who saves whosoever will trust in Him.

Since the well-being of man depends on this, it is of the utmost importance for every one in the world to know about this Christ and

to trust in Him. “For God so loved the world, that He gave His only begotten Son that whosoever believeth in Him should not perish, but have everlasting life.” (John 3:16).

The Gospel Of John has three natural divisions:

1. Life eternal offered to all through Christ. Chapter 1-12.
2. How to live a contented, victorious life. Chapters 13-17.
3. Atonement: The substitutionary death and bodily resurrection of our Savior - the basis of all blessing for the Christian. Chapters 18-21.
