# ***INSTRUCTIONS***

To get the most possible from the study of this course we would suggest the following plan:

1. Ask God to help you before studying.
2. Read carefully the lessons and Bible portions that are mentioned.
3. Answer the exams from memory and write out the answers with a lead pencil.
4. Check the answers with the lesson and Bible passages, making the changes you believe necessary before putting down the final answer.
5. When you have finished, remove the exam section from the booklet and mail only the 12 exams.

We will correct the exams and return them to you with your grade. If you make at least a 70 or better, you will be given a certificate. Also, we will send you the next course in the program of studies so that you can continue to study the Word of God.
